

BETA ACID

EXFOLIANT

Clarify & Soothe

RETAIL 0.5 oz

SOUND BITE: "Banish breakouts."

Highly effective exfoliating and clarifying solution features salicylic and lactic acids to target blemish-prone skin, remove excess oil and pore-clogging debris, and improve the look of scarring and discoloration. Natural botanical extracts improve elasticity and encourage a healthier complexion.

WHAT DOES IT DO?

- Salicylic acid eliminates excess oil & pore-clogging debris
- Lactic acid improves appearance of scarring & discoloration
- Targets blemishes & congested skin
- Nourishing botanical extracts improve elasticity

DIRECTIONS

After cleansing, apply 3-4 drops onto cotton pad and smooth over face as needed. Slight tingling may occur. Discontinue use if skin is too dry. Do not rinse after application. Sun protection is recommended when using this product.

SKIN TYPES

combination, oily

CONDITIONS

blemishes, dullness, congested pores, hyperpigmentation

KEY INGREDIENTS

Salicylic Acid	Refines texture, clears congested pores & targets excess oil production
Lactic Acid	Improves skin tone, smooths texture & visibly reduces dark spots
