

# EXOTIC BLOSSOM HAND CREAM

BODY CARE

Soften & Smooth

RETAIL 1.4 oz

**SOUND BITE:** "Captivating aromas of rose and helichrysum."

Velvety hand cream enriched with exotic butters and oils moisturizes and softens dry, stressed skin as a multi-layered floral fragrance uplifts mind and mood.

Cupuacu and kukui butters along with macadamia and cannabis oils work together to soothe, protect, and deeply moisturize dry hands and fingers while the rich aromas of Bulgarian rose, helichrysum, and chamomile flowers unfold and linger.

- Moisturizes, softens, and helps restore suppleness
- Calms skin irritation, redness, and inflammation
- Locks in moisture to ward off dehydration and dryness
- Bulgarian rose and helichrysum leave a warm floral scent

## DIRECTIONS

Apply to hands and fingertips as needed.

## SKIN TYPES

all skin types

## CONDITIONS

dehydration, roughness

## KEY INGREDIENTS

<b>Cupuacu Butter</b>	Promotes moisture retention while improving firmness & elasticity
