SOUND BITE: "Tingle away toxins."

Refreshing, stimulating clay mask features French green clay and Amazonian white clay to draw out toxins, refine clogged pores, and rebalance oily or blemish-prone skin. A dozen botanical extracts that include ginseng, macadamia, and sacha inchi oil help soothe skin irritation, inflammation, and redness, leaving skin velvety soft.

WHAT DOES IT DO?

- Balances oily, blemish-prone skin
- Draws out environmental toxins
- Calms skin irritation, inflammation & redness
- Softens & energizes skin

DIRECTIONS

Cover eye areas with cotton pads and use a facial brush to apply an even layer onto face and neck, avoiding contact with eyes. After 15-20 minutes, remove mask with a wet sponge or towel.
