

# MICRODERM EXFOLIANT

EXFOLIANT

Retexture &  
Rejuvenate

RETAIL 1.75 oz

**SOUND BITE:** "For skin so smooth and radiant, who needs makeup?"

Skin-beautifying microdermabrasion scrub targets congested pores, eliminates surface impurities, and boosts radiance. Corundum crystals and botanical extracts that include hops, evening primrose, and ginseng enhance skin tone and texture, revealing a smooth, glowing complexion.

#### WHAT DOES IT DO?

- Clarifies & reduces appearance of enlarged pores
- Balances uneven tone & texture
- Diminishes signs of environmentally damaged skin
- Leaves skin smooth, even & radiant

#### DIRECTIONS

Massage a generous amount onto moistened face and neck for 30 seconds to 2 minutes, depending on sensitivity. Avoid direct contact with eyes. Rinse thoroughly, then pat dry. Use 1 to 3 times a week.

#### SKIN TYPES

dry, normal, combination, oily

#### CONDITIONS

dehydration, dullness, fine lines, hyperpigmentation, congested pores

#### KEY INGREDIENTS

<b>Ginseng</b>	Brightens, enhances circulation & protects against oxidative damage
<b>Corundum Crystal</b>	Refines skin surface to stimulate production of new skin cells
<b>Jobaba Oil</b>	Clarifies clogged pores & helps balance sebum production
<b>Evening Primrose Oil</b>	Moisturizes while enhancing barrier function & improving elasticity
<b>Hops Extract</b>	Soothes inflammation, brightens & improves skin tone
<b>Rice Bran Oil</b>	Moisturizes, soothes & illuminates dull, stressed skin

**pH RANGE** 5.7 - 6.7
