

# TGF- $\beta$ EYE FIRMING MASK

MASK

Firm & Brighten

RETAIL 4 pc  
PRO 15 pc

**SOUND BITE:** "Instant eye-lift."

Cooling eye mask dramatically minimizes the appearance of lines, dark circles, and puffiness around the eyes. Features potent peptides, red and green algae extracts, and hyaluronic acid in a sophisticated micro-delivery system to help smooth, brighten, and firm the eye areas while promoting collagen synthesis.

#### WHAT DOES IT DO?

- Hydrates, smooths & lifts
- Helps improve firmness & elasticity
- Minimizes the look of dark circles & puffiness
- Reduces the appearance of lines & wrinkles

#### DIRECTIONS

Peel mask from paper backing. Apply gel side of mask under the eyes and close to the nose. Remove after 15-20 minutes. Do not rinse.

#### SKIN TYPES

dry, normal, combination, sensitive

#### CONDITIONS

fine lines, dark circles, puffiness, loss of firmness

#### KEY INGREDIENTS

<b>TGF-<math>\beta</math> (proprietary formula)</b>	Improves firmness & promotes collagen synthesis
<b>Acetyl Hexapeptide-8</b>	Reduces wrinkles from continuous facial muscle contractions
<b>Palmitoyl Pentapeptide-4</b>	Visibly minimizes wrinkle depth & smooths roughness
<b>Red Algae</b>	Soothes & softens due to minerals, proteins & vitamins
<b>Green Algae</b>	Moisturizes, conditions & encourages collagen synthesis
<b>Panthenol</b>	Reduces inflammation, moisturizes & helps keep skin smooth

pH RANGE N/A
