

Neroli Baobab Hand Butter

Delectable, deeply moisturizing hand cream combines a blissful medley of **Baobab**, **Shea**, and **Murumuru** butters with exotic **Buriti Fruit**, **Evening Primrose**, and **Meadowfoam** oils.

Softens, protects, and seals in moisture, while the captivating aromas of **Neroli**, **Sweet Orange**, and **Jasmine** gently unfold, calming the mind and inspiring confidence.

Skin Benefits - Highlights

Baobab: contains exceptional levels of vitamins A, D, E, and F to help revitalize and tone irritated, aging skin

Murumuru: nourishes, repairs, and protects dry, damaged skin

Buriti Fruit: packed with antioxidants to soothe sensitive, irritated skin while protecting from environmental damage

Evening Primrose: enhances barrier function and suppleness

Shea: Seals in moisture, and softens rough, irritated skin

Meadowfoam: balances oils in skin, prevents dehydration, and protects against oxidative damage

Mind & Mood Benefits - Highlights

Neroli: calms anxiety, lifts spirits, and inspires confidence

Sweet Orange: enhances alertness and balances mood

Lavender: soothes, steadies the mind, and improves focus

Jasmine: soothes the mind and emotions; enhances alertness

Directions:

Apply to targeted areas and gently massage into skin.
