LIQUID HYDRATION MOISTURIZER + SERUM

SUPER-CHARGED HYDRATION

Create smoother, firmer skin that begs to be touched with this non-greasy, moisturizing serum formulated with skin-firming peptides, soothing botanicals + hydrating heavy-hitters.

The merger of moisturizer + serum keeps skin hydrated, while potent anti-aging actives improve elasticity, smooth roughness + minimize wrinkles for your most comfortable skin yet.

FOR

- people who don't like heavy creams
- dry + tight-feeling skin
- improved barrier function

DIRECTIONS

Apply to clean, dry skin on face + neck in morning + night.

SKIN TYPES & CONDITIONS

- all skin types
- dryness, dullness, fine lines

KEY INGREDIENTS

hyaluronic acid

hydrates + improves skin barrier function by attracting + retaining moisture

chaga mushroom

soothes skin + defends against signs of UV damage

palmitoyl tetrapeptide-7

promotes firmness + elasticity while visibly reducing fine lines

3e electrolyte complex

mineral complex that helps skin maintain moisture + strengthens skin barrier

SIZE 1.7 fl oz
