

KIZO LAB

VOLCANIC SCRUB + MASK

BUFF THE ROUGH

Skin looking a little rough around the edges?

Energize and refine your skin with this cool, fresh exfoliating scrub and detoxifying mask that eliminates dirt, debris, and excess oil for a smoother, softer feel.

Volcanic sand, kiwi, and hops help reduce pore size, combat ingrown beard hairs, and improve uneven texture.

Bonus benefit: Helps soften rough facial hairs for a closer, more comfortable shave.

FOR

- people with oily, congested skin
- ingrown beard hairs
- refining rough texture

DIRECTIONS

SCRUB: Massage onto moistened face + neck for 30 seconds to 2 minutes. Rinse well, then pat dry.

MASK: Apply an even layer onto face + neck, avoiding contact with eyes. After 15-20 minutes, remove mask with a wet sponge or towel. Use 1-2 times weekly.

SKIN TYPES & CONDITIONS

- dry, normal, combination, oily
- dehydration, dullness, fine lines, discoloration, congested pores

KEY INGREDIENTS

volcanic sand	removes debris + excess oil, smooths skin, minimizes lines + pigmentation
kiwi fruit extract	helps prevent dead skin cell buildup, improves moisture + brightens
hops extract	provides anti-inflammatory + anti-bacterial benefits to calm skin irritation
chaga mushroom	soothes skin + defends against signs of UV damage

SIZE 2 oz / 60 g
