

MASK

Cryo Peptide Eye Mask

Cool & Soothe

sound bite: "Cooling touch comforts stressed eyes."

Cryotherapy-inspired, cooling eye masks with peptide-enriched hydrogel instantly refresh and depuff delicate eye areas while helping smooth the appearance of fine lines and signs of aging.

The unique cat-eye shape covers upper and lower eye contours while soothing, revitalizing, and visibly firming the look of skin in minutes.

what does it do?

Instantly calms, refreshes & depuffs delicate eye areas

Smooths the look of lines & other signs of aging

Peptide-enriched formula helps visibly firm & energize skin

Soothes post-treatment sensitivity

directions

Peel off backing and position mask around eyes, placing double ends at inner corners. Avoid lash line. Remove after 15-20 minutes. Do not rinse.

key ingredients
