

MASK

Hungarian Enzyme Mask

Resurface & Detoxify

sound bite: "Perfect-looking skin's dirty little secret."

Invigorating powder mask features mineral-rich thermal mud to detoxify, clarify, and decongest pores while maintaining skin's moisture levels.

Pearl powder and papaya and pineapple enzymes help detox, clarify, and soften blemish-prone, congested, problem skin.

what does it do?

Exfoliates, detoxifies & resurfaces

Clarifies congested pores & eases extractions

Improves absorption & benefits of other skincare products

Leaves skin smooth, balanced & radiant

directions

Combine powder mask with water at a 1:1 ratio. Use spatula or fan brush to blend mixture into smooth paste. Cover eye areas with cotton pads. Apply thin paste onto facial area. Steam for 5-10 minutes to activate enzyme exfoliation. Remove with a moistened sponge or warm towel.
