

MOISTURIZER

O² Calming Gel

Hydrate & Soothe

sound bite: "The key to calm, cool, hydrated skin."

Soothing gel contains hyaluronic acid and botanical extracts that include goldenseal, green tea, and aloe to relieve skin irritation, burning, stinging, and redness, leaving skin calm and moisturized.

Antioxidant-enriched moisture complex intensely hydrates while softening skin. Excellent ultrasound gel, aftershave gel, and post-extraction treatment for soothing stressed skin.

what does it do?

Hydrates & calms skin irritation, burning, stinging & redness

Moisturizes & plumps dehydrated skin

Excellent aftershave gel & post-extraction treatment

Ideal for use with ultrasonic machines

directions
