

SERUM

Vita-C Serum

Clarify & Illuminate

sound bite: "The ultimate glow-getter."

Concentrated brightening serum with antioxidants and amino acids clarifies the complexion, balances skin tone, and restores a radiant glow.

Multiple forms of vitamin C, niacinamide, and superoxide dismutase support collagen and help fight against oxidative stress for brighter, firmer, more vibrant-looking skin.

what does it do?

Multiple stable forms of vitamin C (MAP & AAP) restore radiance

Clarifies, balances & smooths uneven skin tone & texture

Encourages collagen synthesis for firmer, more vibrant skin

Helps strengthen & protect skin from environmental stressors

directions

After cleansing and toning, gently apply 3-5 drops onto face and neck in the morning and at night. Avoid contact with eyes. Sun protection is recommended when using this product.

key ingredients

Vitamin C	Multiple forms of stable vitamin C brighten & defend against oxidative damage
Niacinamide	Reduces appearance of redness & hyperpigmentation
Arginine	Encourages collagen synthesis & wards off environmental damage
Superoxide Dismutase	Superior antioxidant helps protect against free radical damage
